NATIONAL BANK.

The amor at of uncalled for interest owed by the Government on United States bonds amounts to over \$65,000, which is possible in coin at the office of the Treasurer of the United States. Arrangements will be made to acquaint parties interested of the fact, in order to effect a discharge of the public obligation.

APPLICATIONS. Only twenty-five supervisors are authorized to be appointed under the opirits and tobacco bill, but already over a hundred applications have been filed for these offices. Nominations for gaugers under the same law are being made by collectors in large numbers. The Countisioner of Internal Revunue is preparing general tustructions under that act.

PERANCIAL. Several of the Western National tambo have scently been called ou for an increase in their centile, which has been regulate on account of an increased amount of public deposits. In ill instances these banks have compiled with his order The First National bank of Charles in, Illinois, has voluntarily cassed to be a Government depository.
